11 Color: Gray P/N // 20095
 08-11 Color: Black P/N // 20054
 08-11 Color: Tan P/N // 20056
 08-10 Color: Gray P/N // 20055

Installation Instructions for 08-11 Ford F-250 thru F-550 Super Duty Crew Cab

Materials Needed:

- // Phillips screw driver // 13mm socket

Installation Instructions:

- 1 Tilt the backs of the rear seats forward.
- 2 On the driver's side remove the plastic cover (located by the seat bottom tilt lever) using a Phillips screw driver.
- 3 Remove the plastic cover covering the side rear portion of the seat (be careful not to break spring clips when removing).
- 4 Remove the two bolts holding the seat back using a 13mm socket. Pull seat back forward.
- 5 Remove plastic wing nut & bracket from jack handles. The plastic wing nut & bracket will be used later to secure the DU-HA in place. Remove the jack handles & set aside.
- 6 From the passenger's side, remove the jack & set aside. (The jack will be placed back in the holder after the DU-HA is installed.)
- 7 From the driver's side, insert the DU-HA behind the passenger's seat, making sure the DU-HA lettering faces towards the front of the truck. Push the driver's seat forward while pushing the end of the DU-HA down behind the passenger's seat. This will be a snug fit so you will have to apply some pressure. This will work better if you raise the end you are holding as shown in the photo. Line up the predrilled hole in the DU-HA with the secured nut in the floor that attached the jack handles.
- 8 Screw the plastic wing nut & bracket onto the secured nut until snug. Do not over-tighten.
- 9 Secure the jack into its original holder.
- 10 Re-attach seat back in the same manner as removed using existing bolts and a 13mm socket. Re-attach plastic covers. Snap rear cover back into same holes and secure front cover with the Phillips screw.
- 11 If desired, install organizer/gun racks by snapping them into the slots in the DU-HA (as shown). Gun racks can be installed to hold two guns or one gun depending on how you install them. Jack handles can be placed in the DU-HA or on the floor in behind the seat.

2 extra straps are included to secure guns/gear in place.

Safety Instructions:

Warning: Seat back must be latched up at all times while vehicle is moving. Make sure DU-HA is secured in vehicle according to installation instructions. Do not store explosives or hazardous materials in the DU-HA. Do not place loaded guns in the DU-HA.

For further instructions refer to truck owners manual or contact DU-HA, Inc.

Note: Underseat storage is also available for this truck. Visit www.du-ha.com for more info.

Installation Instructions for 08-11 Ford F-250 thru F-550 Super Duty Regular Cab *Behind-the-Seat Storage*

Installation Instructions:

- 1 Open the driver's side door. Tilt and slide the seat forward.
- 2 Behind the seat you will have a jack tools bag. Turn the wing nut on the jack tools bag and remove the wing nut & metal bracket. The plastic wing nut & bracket will be used later to secure the DU-HA in place. Remove the jack tools bag & set aside.
- 3 From the passenger's side, remove the jack & set aside. Leave the black holder in place. The jack will be placed back in the holder after the DU-HA is installed.
- 4 Insert the DU-HA behind the seat, making sure the DU-HA lettering faces towards the front of the truck. Line up the predrilled hole in the DU-HA with the secured nut in the floor where the wing nut was removed.
- 5 Screw the wing nut & bracket onto the secured nut until snug. Do not over-tighten.
- 6 If desired, install organizer/gun racks by snapping them into the slots in the DU-HA (as shown). Gun racks can be installed to hold two guns or one gun depending on how you install them.
- 7 Secure the jack into its original holder.
- 8 The jack handles can be placed on the floor behind the middle console or behind the jack and DU-HA (as pictured). They may also be stored inside the DU-HA.

Safety Instructions:

Warning: Seat back must be latched up at all times while vehicle is moving. Make sure DU-HA is secured in vehicle according to installation instructions. Do not store explosives or hazardous materials in the DU-HA. Do not place loaded guns in the DU-HA. For further instructions refer to truck owners manual or contact DU-HA, Inc.
